

HB 131 - Requiring DPHHS to contract for local emergency and court-ordered detention services

Amendment HB013101.ash

- To provide flexibility, the amendment deletes the requirement that contracting be for a certain number of dedicated emergency and court-ordered detention beds by striking "up to three dedicated"
- Changes the implementation deadline from July 1, 2010 to September 1, 2009.
- Provides a new section (Section 5) to coordinate the bill with HB 645 (the stimulus bill) so that if HB 645 includes a line item appropriation for a "community mental health crisis services demonstration project", then the General Fund appropriation in this HB 131 is void. This coordination is needed to ensure there will not be two appropriations for the same thing.
